

GPSMAP 66SR

NAVIGATE YOUR NEXT ADVENTURE

Whether you're hiking, hunting, climbing, geocaching, kayaking or mountain biking, explore more by using this premium, rugged handheld with a 3" color display, preloaded maps and multiple frequencies for our most accurate position to date.

OVERVIEW

- No squinting necessary with this large, sunlight-readable color display.
- Multi-band technology and expanded GNSS satellite support guide the way in challenging locations.
- Maps as pretty as a picture and just as detailed – without a subscription.
- Having Active Weather is like having your own personal weather forecaster on your journey.
- Explore more with up to 36 hours of battery life in GPS mode and up to 450 hours in Expedition mode.
